LIVE AT THE ORPHEUM

"A WOMAN, BUT CERTAINLY NOT A LADY"

Sarah gives her sardonic perspective on life with some extra sass. Using her vitality and dry wit she has been building a

name for herself in the comedy world by being real... and a riot.

She aspires to be the next character on 'Orange is the New Black', so if anyone has any contacts, let her know. Sarah's comedy has been on Sirius XM's Raw Dog Radio, and featured on Twitch TV.
