Absolutley f-ing hysterical

By Nicole L. on December 5, 2016

I saw Sarah at a club my man and I go to sometimes in Worcester. I was laughing so hard I had tears. I asked her to do my bridal shower and my friends were so happy to do something fun, and I pretty sure my mom peed her pants a little laughing. If I could give her 6 stars I would

BIO

A woman, but certainly not a lady. Sarah gives her sardonic perspective on life with some extra sass. Using her vitality and dry wit she has been building a name for herself in the comedy world by being real... and a riot.

Sarah has been lucky enough to open for some of her favorites like Bill Burr, Greer Barnes, Orlando Baxter and aspires to be the next character on 'Orange is the New Black', so if anyone has any contacts, let her know.

She has been featured on shows in the Boston Comedy Festival, Rhode Island Comedy Festival, Granite State Comedy Festival, Charm City Comedy Festival, Portland Comedy Festival and the She-Devil Comedy Festival. She has performed in clubs across the country from Laugh Boston to San Francisco's Punchline. Sarah's comedy has been featured on WAAF, WROR and most recently on international Late Night TV with Steve Katsos and featured in The World Series of Comedy.
